Broadway Buzz

New Addition Update

We have a floor plan for the additional 3 rooms. The area will include a lounge area that will be available to all residents. This will be a nice place for those who may want to have some quiet time away from the common area, or where family members can visit with their loved one. The day that the concrete in the garage is removed may be somewhat loud. We plan to offer an outing that day, or families may want to plan to go out with the resident themselves. It is not required that residents be out of the house, but may be more pleasant for them. We will keep you informed about the date, and what our plans are for an outing.

- Please let us know in advance if you are planning to take your loved one out for an appointment, holiday, or other reason. We want to be sure that any medications that would be needed during that time are ready for you to take along. Thank you!
- Look for our plans for the outdoor area improvement coming soon! As the weather gets nicer, we will be spending more time outside. We are all looking forward to starting the garden again this year!

Reminder

Getting a return on your state taxes? Consider giving a buck or 2 as a donation to the Alzheimer's Association through Checkoff Colorado. Even a dollar contributes to the fight against Alzheimer's Disease.
