### Alzheimer's Association Memories in the Making Art Auction Fundraiser

Memories in the Making is an art program for individuals with Alzheimer's disease or memory loss that brings comfort and joy through the process of creating watercolors. The experience offers an opportunity for stories and memories to emerge through the making of art.

We are in the process of becoming a Memories in the Making community! Staff is trained by an Association artist to work with the residents.

This art auction is the main source of funding for this program.

### Families -

We will begin sending a checklist of personal care products that are needed for your loved one along with the monthly invoice. These items include body wash, deodorant, tooth care products or incontinence products. As the weather is getting nicer and we are spending more time outdoors, having sunscreen may be appropriate for some of our residents.

If you have any questions, please contact Iren at 720-383-8083.

## It's Barbecue Season!

We have 2 barbecues coming up, and would love for you to join us if you can!
