## Broadway Buzz

### ***Thank you to those who attended our Family Meeting!***

Here is the important information that we discussed at the meeting.

- Iren Kaspin is now on maternity leave. Please call 720-900-3951 rather than her cell phone for the time being. The house number is still used to contact your family member directly, or to let the staff know that you are taking a resident out for appointments or enjoyment.
- It is important for the residents to get regular foot care from a nurse. Our licensing does not allow us to perform this kind of service for them. We have a private foot care nurse who comes to the home. We'd like to get a regular visit going every other month or at least quarterly. If several residents are seen at once, the cost goes down for each. Innovage participants are seen through their providers.
- Construction has started in the garage. Tuesday January 24th, the residents will be going out to the Seniors Resource Center for the day as it will be loud with concrete breaking. Innovage participants will be going to the Denver center that day.
- We are going through documents to be sure we have the proper paperwork for each resident. You may get a call or email if we need a copy of a document such as Power of Attorney, Advanced Directives, etc.

***Family Meetings are held quarterly. Next meeting will be in April.***

***Look for information as we get closer.***

### **MONTHLY RESTAURANT DINNER**

This coming month, the restaurant dinner will be Barbecue  
Dinner will be on February 4th.

*If family members would like to join us, we ask that you RSVP to the office at least 3 days in advance. Cost for family members is \$15 per person.*

### **Pardon Our Construction!**

As you have most likely seen, construction has started in the garage for the addition of 3 rooms to the house. The construction is schedule into March. You can also ring the doorbell by the gate in the front of the house and enter through the porch if parking by the garage is limited.  
Thank you!
