FAMILY MEETING TOPICS

We had our quarterly family meeting on January 30th. Thanks to those who attended! Below are topics we discussed.

- **Privacy Concerns**

The privacy of each of our residents is important. Please understand that staff cannot discuss with you health issues, care needs, or concerns of anyone other than your family member. We know that families become close to the other residents and questions to staff are coming from a place of genuine concern, but we are bound by HIPAA to not divulge information. Thank you for understanding.

- **Menus**

With the addition of several new residents, we encourage input regarding menu choices for meals and snacks.

- **Supplies / Mail**

Please check in when you're here to see if personal supplies are needed, or if there is mail to pick up in the office. Personal mail is given directly to the resident (i.e. greeting cards, letters, or magazines). Mail from insurance, medical, or other "official" sources is kept in a file in the office. Check with staff when you're visiting.

- **Activities**

Staff member Susan is now running the activity program, and is at the house regularly to lead residents in exercise, art projects, and brain games. We are also planning to do outings occasionally as more residents are capable and interested.

TOO MANY COOKS?

No way! It's fun when there are extra hands in the kitchen!

Valentine's Day Party

Friday February 14th
10:30am

We will enjoy Valentine's Day karaoke and dancing with Mr. Tony!

Stay for lunch and holiday treats!

If you would like lunch, please RSVP to the office.

Activities

Here's what has been going on lately!
The current activities calendar is posted in the house and copies are available. Please feel free to join us for entertainers or other activities!
