COVID-19 VIRUS CONCERNS

It's been a challenging time for all of us during this unprecedented event. We thank you all for your understanding of the restrictions we have regarding visitors and outings.

Our policies at this time are as follows:

- Visitors are not allowed at this time. Essential people only are allowed to enter.
- No outings unless approved by RN Administrator.
- Staff has been instructed in proper hygiene and are practicing social distancing and isolation outside of work.
- Upon arriving for work, staff members have their temperature taken outside of the home before entry.
- They immediately enter the staff-only restroom for proper hand washing and hygiene practices before engaging with residents.
- We are stocked with protective equipment (gloves, masks, gowns, sanitizer, etc.) and staff are using protective equipment for resident care, cleaning, and meal preparation.

Despite the circumstances, residents and staff are in good spirits! The nicer weather has helped as everyone is able to get outside more often. We will keep you posted of any changes to policies during this month.

Happy Easter

We truly wish we could invite everyone over for a holiday meal together!

Though we can't celebrate with you this time, the residents will still be enjoying a lovely Easter dinner and traditional Easter treats. Have a Happy Easter!

FAMILY MEETING will not be held this month

Our quarterly family meeting was to be scheduled in April. We plan to hold our next meeting in July as scheduled for now.

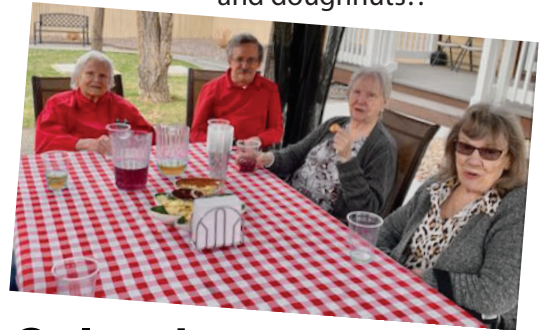

In the meantime, please feel free to contact Iren for a care conference regarding your family member or just to touch base and discuss how things are going.

Activities

Even though we can't bring in outside activities and entertainers right now, we are still maintaining activities at the house.

What's better than sunshine and doughnuts?!

Residents and staff had a daytime "slumber party" complete with movies and treats!
