VISITATION CONCERNS

There have been questions and concerns regarding new visitation protocols. We are following state health department and CDC requirements, and we also have our own guidelines.

- We prefer you have a negative COVID test which we can provide.
- Please let us know if you have completed your vaccine(s).
- If you have traveled, we need you to wait 2 weeks upon return before visiting.
- Visits will continue to take place outside when weather permits.
- Visitors and residents will wear masks during the visit, outdoor visits included.
- Indoor visits are limited to one visitor/one resident at a time for no more than 30 minutes.
- Indoor visits will take place in the office with air filtration.
- Visits need to be scheduled in advance with Iren.

We continue to exercise caution with regard to COVID and the health of the residents. Staff members are still being tested 1-2x per week. Screening and masks are still in place for staff and essential personnel.

Please contact Iren 720-383-8083 with questions or to schedule a visit.

FAMILY MEETING

**Tuesday April 27th
5:30 PM via ZOOM**

Family meetings give us the opportunity to share information with you, and to listen to your input.

The family meeting this quarter will again be held by video or phone over Zoom. Information and link will be sent by email a week before the meeting. If you haven't used Zoom, you can contact Patty at info@albroadway.com for info.

We have had good turnouts for our virtual meetings so we have decided to continue with this format!

For those unable to attend, topics discussed will be in next month's newsletter.

Happy Easter

We hope to have families celebrate the holidays with us again, but we are not quite there yet.

So though we can't celebrate with you this time, the residents will still be enjoying a lovely Easter dinner and traditional Easter treats. We will keep you posted about other holidays later this year.

Have a Happy Easter!

Music Returns!

We are happy to have regular music return to the house in April. Old time music with Chris Doughty has always been a favorite, and karaoke with Mr. Tony is fun and engaging! Musicians have been vaccinated and the activities will take place outside weather permitting.

Activities
