FAMILY MEETING

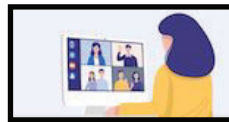

**Tuesday July 27th
5:30 PM via ZOOM**

Family meetings give us the opportunity to share information with you, and to listen to your input.

The family meeting this quarter will again be held by video or phone over Zoom. **We have found this to be the easiest way to hold the family meetings, and the turnouts are so much better than in-person!**

Information and link will be sent by email a week before the meeting. If you have any questions, you can contact Patty at info@albroadway.com.

For those unable to attend, topics discussed will be in next month's newsletter.

VISITATION / COVID PROTOCOLS

Guidelines put in place in June are still in effect. Please refer to June newsletter (which is available on the website) for more details and link to the Colo. Dept. of Health Residential Care Facility (RCF) Comprehensive Mitigation Guidance document, which we are obligated to follow.

Quick summary: Whether vaccinated or not, visitors will still be screened at upon arrival. **Fully vaccinated visitors and staff are not required to wear masks indoors.** If you have recently traveled or are feeling under the weather, please visit at other time. If you are not vaccinated or do not have proof of vaccination, you are required to wear a mask indoors. Communal dining and large group activities are limited to those who are fully vaccinated.

Thank you all for your cooperation and understanding through these past 15 months!

NEWS AND NOTES

- Dental Hygienist will be here on Tuesday July 6th. If your family member has been seen before, s/he will be on the schedule. If you have any questions, please contact Iren.

- Next foot care clinic will be on Tuesday August 3, 2021.

- Please contact Iren if you have questions regarding the letter you received about the new supply policy.

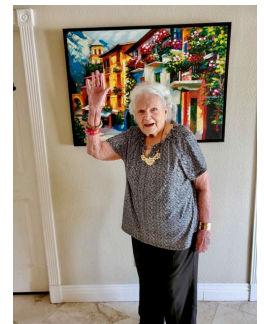

4th of July

We will be having outdoor time and grilling at lunchtime for the residents, but we are not planning for a family event. If you would like to visit at another time that day or take your family member out for the holiday just let us know!

Hair and Nails

Lisa Mock was here last Friday and will be coming this Friday to finish all of the requests. We plan to have her here at least once per month, and will keep you all posted on her schedule. We send out separate invoices (like with foot care) and can do bank draws or checks. And again, we want to thank Rose for stepping in this past year to keep everyone looking good!

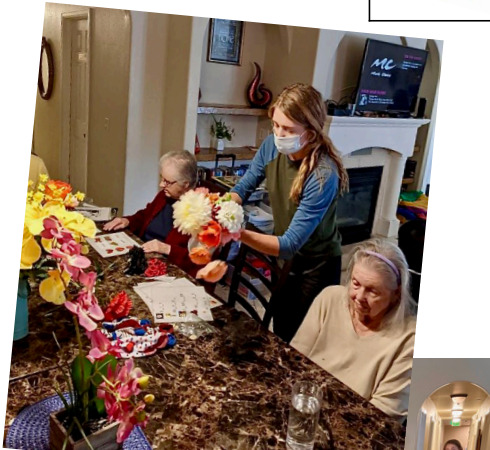

Activities
