FAMILY MEETING TOPICS

We had our quarterly family meeting over Zoom on Aug 3rd. Thanks to those who attended! Below are topics discussed.

- **VISITATION / COVID PUBLIC HEALTH ORDERS**

Please see info to the right.

- **COVID Rapid Test Availability**

If you have any concerns before visiting, such as recent travel, we have rapid tests available and can assist you with that before coming into the house. It only takes about 15-20 minutes.

- **Upcoming**

We had a catered restaurant lunch in August and will be grilling for Labor Day lunch.

- **Supply Policy**

Please contact Iren with any questions regarding the new supply policy.

- **Mail**

As always, please inquire if there is mail to be picked up when you are at the house.

COVID / CDPHE UPDATES

The state health department (CDPHE) has continued to give us updates regarding mandatory procedures. Recent changes mostly address staff requirements, but we are now requiring masks indoors regardless of vaccination status. We have not seen any changes to visitation policies yet.

We will notify you ASAP if we receive any changes that involve visitation or other resident concerns.

THANK YOU!
