#### FAMILY MEETING

**Weds. October 27th  
5:30 PM via ZOOM**

Family meetings give us the opportunity to share information with you, and to listen to your input.

The family meeting this quarter will again be held by video or phone over Zoom. **We have found this to be the easiest way to hold the family meetings, and the turnouts are so much better than in-person!** Information and link will be sent by email a week before the meeting. If you have any questions, you can contact Patty at [info@albroadway.com](mailto:info@albroadway.com).

For those unable to attend, topics discussed will be in next month's newsletter.

#### COVID / CDPHE UPDATES

The state health department (CDPHE) has not made any new changes to our required procedures this past month, so same protocols are in place. We will notify you ASAP if we receive any changes that involve visitation or other resident concerns.

#### FLU / PNEUMONIA / COVID BOOSTER

We are working with 2 pharmacies and Bloom Healthcare to get scheduled for a flu and pneumonia shot clinic, and to also get boosters shots of the Pfizer COVID vaccine. We will contact you by email when we have more information.

#### NEWS AND NOTES

- There were a few requests for the mobile optometrist so we are working on a date for an eye clinic. We will let you all know when that is scheduled.
- It is with sadness that we report the passing of our dear friend Victor. We were so honored to have been able to celebrate his 97th birthday with him earlier this year. He will be greatly missed!
